### **3.3 Semester Structure**

- 3.3.1 Each academic year is divided into three semesters, two being main semesters and one being a supplementary semester. Main semesters are for regular class work. Supplementary Semester is primarily for failed students. i.e. registration for a course for the first time is generally not permitted in the Supplementary Semester. However, the following cases are exempted:
  - (i) For students admitted under Lateral Entry Scheme in the subjects 'Constitution of India', 'Environmental Studies' and 'Kannada'
  - (ii) For students admitted on transfer from VTU affiliated institutes and affiliated universities other institutes in the subjects in which they are required to earn credits so as to be on par with regular students as prescribed by concerned 'Board of Studies'.

- 3.3.2 Each main semester shall be of 19 weeks duration and this period includes time for Registration of courses, Course work, Examination preparation, Conduct of examinations, Assessment and Declaration of final results.

#### 5. CREDIT SYSTEM

- 5.1 All the academic programmes under autonomy are based on Credit System.
- 5.2 The definition of one credit for any course is as follows:
- Lecture (L) : 1 hour/week/semester
  - Tutorial (T) : 2 hours/week/semester
  - Practical (P) : 2 hours/week/semester
- (The above figures would be multiplied by 2 in the case of supplementary semester).

- 5.3 The credits for other academic activities like Project work, Seminars, etc., may be intimated from time to time by the institute.
- 5.4 A specific course would be assigned credits, as Lecture Credits, Tutorial Credits and Practical Credits based on the academic load in accordance with the definition given above. For example, a course that consists of 2 hours of lecture per week, 2 hours of Tutorial per week and 2 hours of Practical per week would be assigned credits as 2:1:1 for a total of 4 credits.
- 5.5 A student can register for a course for earning credits in order to meet the academic requirements of the programme, as stipulated below in 5.7. Such courses together with the grades obtained and the credits earned will be included in the Grade Card issued by the Institute at the end of each semester and they form the basis for determining the academic performance of the student in that semester.
- 5.6 In addition, a student can register for a course for audit only, with the objective of supplementing knowledge / skills. In such cases, the courses will be recorded in the Grade Card as audit courses and will be awarded 'U' grade. The performance in such audit courses will not be taken into account in determining the academic performance of the student in that semester.
- 5.7 A student must secure a **minimum CGPA of FIVE (5)** and earn total number of credits as detailed below in order to qualify for the award of a degree:

	Programme	Normal Duration Years (Semesters)	Total Number of Credits to be Earned
UG Degree	B.E./ B. Tech.	4 (8)	175
	B.E/ B.Tech. (Lateral entry)	3 (6)	135
	B. Arch.	5 (10)	260 (as per COA)
PG Degree	M.Tech	2 (4)	88
	M.Arch	2 (4)	100
	MBA	2 (4)	100
	MCA	2 (4)	100

## 6. REGISTRATION / DROPPING / WITHDRAWAL

- 6.1 Each student has to compulsorily register for course work at the beginning of each semester as per the schedule mentioned in the Academic Calendar. It is absolutely compulsory for the student to register for courses in time. The BE, M.Tech and MCA students have to normally register for a minimum of 16 credits and may register up to a maximum of 28 credits based on the proctor advice. On an average, a student is expected to register for 22 credits. The students of B.Arch, MBA and M.Arch have to register for a minimum of 20 credits and up to a maximum of 30 credits. On an average, a student is expected to register for 25 credits.

- 6.2 Any student may be barred from registering for any course for specific reasons like disciplinary reasons, non- payment of fees etc.
- 6.3 Dropping of Courses: Within one week after the last date of first internal assessment test or by the date notified in the academic calendar, the student may in consultation with his / her proctor, drop one or more courses without prejudice to the minimum number of credits as specified in 6.1. The dropped courses are not recorded in the Grade Card. Student must complete the dropped subject by registering in the supplementary semester / forthcoming semester in order to earn the required credits.
- 6.4 Withdrawal from Courses: A student is permitted to withdraw from a course by the date notified in the academic calendar. However, this fact is recorded in the Grade Card of the student. Such withdrawals will be permitted without prejudice to the minimum number of credits as specified in 6.1. A students cannot withdraw a course more than once & withdrawal of reregistered subjects is not permitted
- 6.5 After Dropping and / or Withdrawal of courses, minimum credits registered shall be 16 for BE, M Tech for MCA, MBA, B Arch, M Arch courses minimum credits registered shall be 20.
- 6.6 A student can register for a maximum number of 14 credits for BE, M Tech and MCA. And for MBA, B Arch, M Arch courses maximum of 15 credits shall registered during supplementary semester.

## **7. ASSESSMENT AND GRADING**

- 7.1 The assessment will comprise of Continuous Internal Evaluation (CIE) and Semester End Examination (SEE). CIE and SEE have equal weightages of 50% each. The sum of CIE and SEE in a given course is used to assign a Letter Grade.
- 7.2 The Letter Grade will be assigned based on Relative Grading System or Absolute Grading System as announced for a particular course at the beginning of the semester in which that course is offered.
- 7.2.2 In absolute grading system, the grade would be assigned based directly on the total raw marks (CIE + SEE) scored by the student according to the following table:

7.3 Letter grades and the corresponding grade prints are as follows:

Level	Outstanding	Excellent	Very Good	Good	Above Average	Poor	Fail
Grade	S	A	B	C	D	E	F
Grade Points	10	09	08	07	06	04	00
Score (Marks) Range %	$\geq 90$	$< 90 - \geq 80$	$< 80 - \geq 70$	$< 70 - \geq 60$	$< 60 - \geq 50$	$< 50 - \geq 40$	$< 40$

7.4 Continuous Internal Evaluation (CIE) of the students is made by the Course faculty all through the semester. The evaluation process may include mid-term tests, weekly / fortnightly class tests, assignments, problem solving exercises, group discussions, quizzes, seminars, mini-project, surprise test etc.

7.5 Terminal Examination designated as Semester End Examination (SEE) a written examination for theory courses and practical / design examination with built-in viva part for laboratory / design courses. Controller of Examinations, with the help of Boards of Examiners, implements this SEE process.

7.6 Grade Points: Depending on the grade assigned, a student earns grade points as indicated in 7.3.

7.7 The total points earned by a student in a given course are computed as the credits assigned to that subject multiplied by the grade points corresponding to the grade awarded in that course. For example, if a course has the credits as 3:1:0 and if the student scores Grade “A” in that course, then the grade points earned would be  $4 \times 9 = 36$  in that course.

7.8 In addition to the letter grades mentioned above, a student may be awarded letter grades of I, W, X or U which are explained below:

7.8.1 **Grade “I”:** A student is awarded grade “I” in a course if he/she has satisfactory attendance in that course, has met the passing standard in the CIE (see 8.1) but remained absent from SEE for valid and convincing reasons acceptable to the Institute. For example, an accident because of which the student could not write the SEE would constitute a valid reason acceptable to the Institute. The application must include the necessary support documents. If the application is accepted by the Institute, the student would be awarded “I” grade in that course. The student would then be permitted to write a make-up SEE conducted as per the announced schedule. Based on the performance in this make-up SEE, the “I” grade would be converted to a regular letter grade.

7.8.2 **Grade “W”:** A student is awarded grade “W” in a course if he/she withdraws from the course with explicit permission from the Institute authorities, within the time specified in 6.4. The grade “W” once awarded will remain permanently in the Grade Report Card of the student. A student cannot withdraw a course

more than once. Student must complete the withdrawn subject by registering in the supplementary semester / forthcoming semester in order to earn the required credits.

7.8.3 **Grade “X”:** A student may be awarded grade “X” if he/she has attendance  $\geq 85\%$  and has done exceptionally well in a course with the CIE being greater than or equal to 90% and has attended examination but not done well in the SEE and it is observed that the student would get an overall “F” grade in that course. A student who is awarded grade “X” would be permitted to write make-up SEE conducted as per the announced schedule. Based on the performance in this make-up SEE, the “X” grade would be converted to a regular letter grade. Grade “X” is awarded only if the student has attended the SEE. there is no ‘X’ grade awarded for practical subjects.

7.8.4 **Grade “U”:** A student is awarded grade “U” in a course if the student has registered for that course for audit only and provided that the student satisfies the attendance requirements as stipulated in Section 9. This grade would carry no grade points and is not used in the computation of SGPA or CGPA as explained below in 7.10.

7.9 **Review of grades:** A student may appeal for review of the grade / grades awarded to him / her by paying prescribed fee within the stipulated time. If the appeal is upheld and the grade gets revised to a higher grade, the fee amount will be refunded to the student as per norms of the institute.

7.10 **Grade Point Averages:**

7.10.1 The credit points earned by a student are used for calculating the Semester Grade Point Average (SGPA) and the Cumulative Grade Point Average (CGPA), both of which are important performance indices of the student. SGPA is equal to the sum of all the total points earned by the student in a given semester divided by the number of credits registered by the student in that semester. CGPA gives the sum of all the total points earned in all the previous semesters and the current semester divided by the number of credits registered in all these semesters. Thus,

$$\text{SGPA} = \frac{\sum [( \text{Course credits} ) \times ( \text{Grade points} )] \text{ for all Courses in that semester}}{\sum [( \text{Course credits} ) \text{ for all courses in that semester}]}$$

$$\text{CGPA} = \frac{\sum [( \text{Course credits} ) \times ( \text{Grade points} )] \text{ for all Courses, excluding those with “F” and transitional grades until that semester}}{\sum [( \text{Course credits} ) \text{ for all Courses excluding those with “F” grades until that semester}]}$$

- 7.10.2 The SGPA and CGPA respectively declare the academic performance of a student at the end of a semester and at the end of successive semesters.
- 7.11 When it becomes necessary to provide absolute marks equivalent to the Letter Grades, the same shall be provided based on the guidelines issued by the VTU, AICTE from time to time.
- 7.12 **Awarding Honours:** After meeting all the academic requirements as per the clause 5.7 and with the approval of the Academic Council, a student is awarded honours as shown below:

CGPA	Honours
$5 \leq \text{CGPA} < 5.75$	Pass (PS)
$5.75 \leq \text{CGPA} < 6.75$	Second Class (SC)
$6.75 \leq \text{CGPA} < 7.75$	First Class (FC)
$\text{CGPA} \geq 7.75$	First Class with Distinction (FCD)

- 7.13 A student must secure a minimum **CGPA of FIVE (5)** in order to become eligible for the award of the Degree.
- 7.14 Percentage Equivalence of Grade Points (for a 10 point scale) is given in the following table as amended in 2018

Grade point	Percentage of Marks / Class
5.75	50
6.25	55
6.75	60
7.25	65
7.75	70
8.25	75

Note:

- (1) The following formula for conversion of CGPA to percentage of marks to be used only after a student has successfully completed the programme.  
 Percentage of Marks =  $(\text{CGPA} - 0.75) \times 10$
- (2) Class designation
- $\geq 70\%$  (First Class with distinction)
  - $\geq 60\%$  and  $< 70\%$  (First Class)
  - $< 60\%$  (Second Class)

## 8. EXAMINATIONS

- 8.1 A candidate must secure a minimum of 40% in CIE in a given Degree course other than B. Arch degree course (see 8.3 below) in order to be considered

eligible to write the SEE in that course. Thus, a student securing less than this prescribed minimum of 40% in CIE in a given course will be awarded NE grade in that course. In addition, a student must secure a minimum of 40 % in Semester End Examination (SEE) in order to be considered as having passed the given course.

8.2 Passing Standards for Degree Programmes other than B. Arch and M.Arch are:

<b>Evaluation Method</b>	<b>Passing Standard</b>
Continuous Internal Evaluation (CIE)	Score $\geq$ 40 %
Semester End Examination (SEE)	Score $\geq$ 40 %

8.3 Passing Standards for B. Arch and M.Arch Degree Programmes

<b>Evaluation Method</b>	<b>Passing Standard</b>
Continuous Internal Evaluation (CIE)	Score $\geq$ 50 %
Semester End Examination (SEE)	Score $\geq$ 40 %

8.4 A student would be considered to have completed a course successfully and earned the credits if he/she secures a letter grade other than “F”, “I”, “W”, or “X” in that course.

8.5 A candidate who is absent in final examination in a course / project work after having registered for the same and has not been awarded grade “I”, shall be considered to have appeared and failed in that course / project work and is awarded grade “F”.

8.6 A candidate shall be declared to have qualified for the award of the degree for which the candidate has been admitted provided the candidate has successfully completed all the academic requirements as per the clause 5.7 and has passed all the prescribed courses of study in all the semesters for that programme within the maximum period stipulated for that programme. The period is reckoned from the commencement of the semester to which the candidate was first admitted to the programme (Section 3).

8.7 There will be no re-examination for any course. A failed student must re-register for the course (the same course, if it is hard core, or an alternative course, if it is a soft core or an elective) when it is offered again and fulfill the passing standards.

8.8 A student indulged in malpractice during any examination (CIE / SEE) must face an enquiry by the Malpractice Review Committee of the Institute on specified date at specified time. The committee, after the enquiry, shall submit a written report to the Principal recommending suitable penal action. Principal will issue further appropriate orders in this regard.

8.9 Make-up examination: The Make-up examination facility shall be available to students who may have missed to attend the SEE of one or more Courses in a semester for valid reasons and awarded the ‘I’ grade. Students having ‘X’

9.2 The basis for the calculation of the attendance shall be the period prescribed by the College by its calendar of events. For late admission, attendance is reckoned from the date of admission to the programme.

9.3 If a student does not fulfill the attendance requirements in any subject, he / she is not permitted to attend the Semester End Examination in that subject and is deemed to have been awarded “NE” grade in that subject.

## **10. REJECTION OF RESULTS**

10.1 This option is available to the student only once during the entire period of study.

10.2 The student shall take readmission in the same semester for which he/she has decided to reject the results in the next academic year.

10.3 It is obvious that the student shall forfeit one complete academic year if he/she uses this opportunity.

10.4 The student shall have to complete the course work within the prescribed time limit which will be calculated with effect from the date of his/her first admission into the course.

However, if a candidate intends to temporarily discontinue the programme in the middle for valid reasons (such as accident or hospitalization due to prolonged ill health) and to rejoin the programme in a later respective semester, he / she shall apply to the Principal in advance. Such application shall be submitted before the last date for payment of examination fee of the semester in question and forwarded

through the Head of the Department stating the reasons for such withdrawal together with supporting documents and endorsement of his / her parent / guardian.

- 11.2 The Institute shall examine such an application and if it finds the case to be genuine, it may permit the student to temporarily withdraw from the programme. Such permission is accorded only to those who do not have any outstanding dues / demand at the College / University level including tuition fees, any other fees, library materials etc.
